

Chair in Immunity and Infection, Portugal

iMM Lisboa – Instituto de Medicina Molecular, is a biomedical research institute of excellence, conducting basic and clinical research with the mission of improving human life. Outstanding researchers, willing to decisively contribute to iMM Lisboa’s ambition to grow to a world leading position in biomedical research, are invited to apply for a Chair in Immunity and Infection research field at iMM Lisboa, under the scope of the European Union’s Horizon 2020 ERA Chair project (2.5 M€) EXCELLtoINNOV.

Requirements:

- Internationally Leading or Established Researcher in Immunity and Infection research area - preference will be given to senior researchers (with > 10 years of research experience); less experienced candidates may also be considered in light of her/his contributions to the research field.
- Proven experience in: managing research teams; supervising graduate students; and in operating with key international funding agencies allowing securing research funding.
- With an established international and cross-disciplinary collaborative network.

Benefits:

Exceptional research and technical conditions will be offered to the appointed Chair, including:

- Initial appointment for 4.5 years;
- Internationally competitive salary commensurate with qualifications and experience (gross annual salary up to €120,000);
- Salary for 5 full-time collaborators (e.g. senior/junior researchers, technicians, project manager);
- Start-up package for instrumentation (up to €600,000);
- Travel budget for training and conference attendance (up to €14,000);
- Access to existing state-of-the-art instrumentation.

Application:

Please submit a detailed resume according to the [template provided](#), including a brief (1-page) 4.5-year research programme and action plan for your research group at iMM Lisboa to imm-fundingprograms@medicina.ulisboa.pt. Applications must be submitted by 30th September 2015. The detailed announcement on the ERA Chair position is available upon request (imm-fundingprograms@medicina.ulisboa.pt) and in [iMM Lisboa](#).

Evaluation:

Short-listed candidates, evaluated by an international selection panel, will be invited for an interview by 1st December 2015.

iMM Lisboa is an inclusive, equal opportunity employer offering attractive conditions and benefits. The working language of the institute is English. The quality of life in Lisbon is incomparable, with an extremely affordable living cost, being the European capital with the highest number of hours of sunshine per year.
